Request for 4-H Membership Across County Lines

Note: This form is to be submitted by all youth who wish to be 4-H members in any county other than the county where they live.

Steps to follow:

- 1. Provide all requested information. Do not leave anything blank.
- 2. Send completed form to the county Extension office in which 4-H membership is being requested (County of Request).
- 3. The 4-H Educators in the County of Request and the County of Residence will review the request. Ohio 4-H policy/procedure states that any request motivated by perceived competitive or sale advantage, any change due to controversial issues, or other similar motivations will automatically be rejected. There must be a 4-H program in both counties (i.e. requests cannot be made as a result of a failed levy or as a result of the Extension office closing in a county due to lack of funding.)
- 4. The 4-H Educator in the County of Request will provide written notification to the applicant with the joint decision of the 4-H professional in each county.
- 5. Permission for 4-H membership across county lines should NOT BE assumed by the parents of the child until official notification is received from the 4-H staff in the county of request.
